

IMAN Australian Health Plans

IMAN Australian Health Plans are designed to meet the health requirements of the 457 and 442 visas and other visas which allow the overseas visitor to work whilst in Australia.

All Plans comply with the Department of Immigration and Citizenship (DIAC) health benefit requirements (visa condition 8501) for 457 and other 400 series visas. Documentation to support visa applications supplied.

With 29 years experience, IMAN offers a **Choice of 4 Health Plans.**

from just \$2.17 per day*

All Plans provide:

- In-Hospital (In-Patient) expenses in both Public and Private Hospitals, including accommodation, theatre fees, medical & surgical specialists, intensive care, pharmaceuticals, x-rays, MRI scans, pathology and physiotherapy.
- Continuing Out-Patient treatment following hospitalisation.
- Same Day Surgery.
- Hospital Emergency Room visits.
- Rehabilitation Hospital (In-Patient) expenses plus continuing Out-Patient treatment following hospitalisation.
- Air and Road Ambulance throughout Australia, Funeral Expenses & Medical Repatriation to your home country.
- Public Hospital Labour Ward, Psychiatric Ward, and Palliative Care
- *100% of Expenses as outlined above means you do not pay "gap", excess, co-payment or any other out-of-pocket expenses.*
- Cash in Hospital of \$200 per day when hospitalised for more than five days.
- 24 / 7 Emergency Medical Assistance.

Accidents happen....

Sickness comes when least expected....
