DEBT RECOVERY

Debt recovery can be a minefield. While plenty of people claim to be able to do the job, true specialists are a rare commodity. Results Legal Solutions have all the right expertise and methods to **save your business a lot of time, headaches and most of all, money.**

Specialised efficiency → Results Legal Solutions is an innovative specialist firm, dealing solely in Debt Recovery, Insolvency Law and Commercial Disputes. We are genuine specialists, managing a wide variety of individual cases through to high volume proceedings throughout Australia daily.

Fast results → With unique systems designed to overcome delays at every imaginable stage, the intent is clear: Get successful results and get them fast.

No hidden fees → Our clear competitive fee structure is a welcome relief for our clients. Unlike many firms, there's no middle man, no commissions and no surprises in the fees.

24-7 case access → In addition to our committed personal attention, our secure online system gives our clients 24-7 access and real time updates on their cases. You're never left in the dark when you deal with Results.

High volume capabilities → Our proven track record has seen us successfully handle cases from small individuals through to high volume, multi jurisdiction proceedings with debts in the hundreds of millions. Rest assured, we're equipped to tackle any sized project.

Complicated cases → Our other two areas of specialisation (commercial disputes and insolvency law) also ensures that we can tailor solutions for any complicated situation.

How to act → It really is as simple as a phone call and filling out an online form. What ever debt recovery requirements your business has, call Results today to discuss your options and a better solution.
