Excellence in Business Innovation - New Zealand

This award recognises excellence in innovation/improvement applicable to

(i) internal projects (within a member's business);

(ii) a member delivering for a customer;

(iii) a partner delivering for a member.

This award provides the opportunity for members or partners to highlight how their use of technology is delivering not just excellent business efficiencies but improving relationships with candidates, clients, and employees.

For the purposes of this award, the innovation should fit into one or more of these classifications:

1. *Problem Solving.* Use of initiatives to help solve problems for clients or candidates, or social/environmental issues.
2. *Technology Advancement.* A technological advancement that benefits the recruitment and staffing industry that has not been seen before.
3. *Enhancing Efficiency.* Providing new solutions to enhance productivity or efficiency.
